

# Colloque International : «Touring Travel Writing. Between fact and fiction»

Publié le 25 novembre 2019 – Mis à jour le 9 décembre 2019

The poster features a central illustration of a harbor scene with several wooden sailing ships. The ships have masts with red and white striped bannocks and various sails. One prominent sail is dark blue with the word 'TEJO' written on it. In the background, there are buildings and a sign that reads 'LISBOA NAQ VIU'. The illustration is credited to 'Imagem gentilmente cedida pelos herdeiros de José de Almada Negreiros'.
